

**2019 ASSESSMENT PLAN**  
**Lake Highlands Public Improvement District**

The cost of the services and improvements provided by the Lake Highlands Public Improvement District will be paid primarily by assessments against real properties within the Lake Highlands Public Improvement District boundaries. Annual assessments will be based on the value of real property and improvements as certified by the Dallas Central Appraisal District.

The service area is identified on the enclosed map. All properties will be assessed at a uniform rate. The proposed assessment rate for the 2019 is proposed at \$0.13 per \$100.00 of appraised value. Each subsequent year, a recommended assessment rate will be determined by the budget prepared by the management corporation. Assessment will be carried out in accordance with procedures stipulated in Chapter 372 of the Texas Local Government Code.

Properties not liable for assessment include City rights-of-way, City-owned park properties and properties not owned by the City of Dallas but have obtained an exemption from the City of Dallas real property taxes pursuant to the Texas Property Code (exempt under the provisions of Section 11 .24 and 11 .28 of the Property Tax Code), and property owned by persons already receiving and qualifying of for the 65-or-older homestead exemption (under Section 11.13(c) or (d) of the Texas Property Tax Code. Payment of assessment by other exempt jurisdictions must be established by contract.

The District's assessments will be collected by Dallas County or other collection agent as determined by the City of Dallas, in accordance with management contract between the City of Dallas and the Lake Highlands Improvement District Corporation, the non-profit management corporation for the District.
