Downtown Dallas, Inc. Improvement District 2017 Assessment Plan

The costs of the services and improvements by the District will be paid primarily by special assessment against properties in the District. Annual assessments are based on the total value of real property and real property improvements as determined by the Dallas Central Appraisal District ("DCAD").

The District service area is shown on a map attached hereto. The assessment to be levied for properties in the District service area is **\$0.1290** per \$100 of appraised value. Dependent upon future District property values and the changing needs of the District, the assessment rate stated above is not anticipated to change in the next five years. Actual assessment rates and levies will be set by the Dallas City Council subject to a maximum of \$0.15 per \$100 of value and according to procedures stipulated by Chapter 372 of the Texas Local Government Code.

As provided by Chapter 372 of The Code, the City of Dallas is responsible for payments of assessments against exempt municipal property in the District. Properties not liable for assessment include City rights-of-way and properties not owned by the City of Dallas but have obtained an exemption from the City of Dallas real property taxes pursuant to the Texas Property Code (except under the provisions of Sections 11.24 and 11.28 of the Property Tax Code). Payment of assessments by other exempt jurisdictions shall be established by contract.
